Prasanna Devi Jana

Address: Kukatpally, Hyderabad
Date Of Birth: 31.07.89
Phone: +91 8639763411

Portfolio:
https://www.linkedin.com/in/prasanna-jana-040b61260/

Key Qualifications:

An enthusiastic coder and trained full stack developer looking for technical jobs in real time exposure. Having solid education background, technical work experience as a freelancer and trainee as well. Living abroad gave me a versatile experience while connecting and communicating with new people.

Personal Characteristics:

Quick to adapt to new tools and frameworks, ensuring a versatile skill set. I am collaborative, enthusiastic, and focused which gives good deliverables to the team and the organisation.

Tech Stack:

Microsoft identity and access administration (SC-300), Web development, HTML, Advanced CSS, JavaScript, React.js, AWS cloud support, MS-Excel, Power Point.

Work Experience

08.2024 –Present   **Full stack developer trainee**, Internshala
Full-time, class-room based advanced skill development program on HTML, CSS, JavaScript and React.js.

05.2024 –07.2024   **AMO,** NAV, Norway
Improved my Norwegian skills and learned more about Norwegian culture. This is a great opportunity from NAV where I can work along with my course.

01.2024 – 4.2024   **AWS Cloud Practitioner Intern,** Inno-Sci School of Programming, Norway
Trained 12 week, full-time, classroom-based skills development and training program on IT fundamentals, AWS Cloud, and professional skills.
Built IT fundamental skills, including: working knowledge of Linux OS, writing scripts in Python and Shell
Learned how to apply core AWS services in the area of compute, storage and networking, including EC2, S3, IAM, VPC, Lambda, Cloud Formation, RDS and Route 53
Demonstrated strong verbal and written communication skills, including the ability to explain technical information and terminology to non-technical end users
Learned how to configure monitor and support the suite of core AWS services

09.2019 – 09.2022   **Transcriptionist**, Freelancer for YouTube
Worked on various projects as a transcriptionist, trainer and Quality analyst. I was responsible for the output for the subtitles and segmentation, gave training to the team of 10 and reviewed the other languages' work as well.

09.2013 – 04.2014   **Associate**, Avansys Software Solutions, Hyderabad
Joined on contract to Amber Road software solutions, Bangalore. Worked a few months as an associate for a data analyst position. Data extraction and Quality analysis are the main responsibilities.

02.2011 – 12.2011   **Front-Desk Admin**, Wisdom IT Technologies, Hyderabad

Manage the front desk, including scheduling classes, taking messages, and providing general assistance. Motivated people to take the courses as per their qualifications. I Was also responsible for arranging the needs for the organisation, distributing the salaries and paying bills of the company. Got a very good reputation here with my loyal and reliable work.

Education

01.2024 – 03.2024	**SC-300 Identity management, Inno-SCI School of Programming, Norway**
